

## ANNUAL REPORT - REFLEXIONZ 2025-26

### Welcome Address

Respected Chief Guest Ms. Anu Anand, renowned playback singer, esteemed Correspondent Mr. Bharath Dhoshi, GM School Operations Mr. Vamsikrishna, members of the Head Office, distinguished dignitaries, respected Vice Principal, dear parents, dedicated staff members, and my beloved students, a very warm welcome to this pleasant evening.

My sincere gratitude to each one of you for being a part of our 12th Annual Day - Reflexionz 2025-26, themed Navarasa. Your presence adds grace and meaning to this wonderful celebration. Today is not just an evening of cultural performances and joy, but also a moment to reflect on the journey, achievements, and growth of our institution during the academic year.

It is my privilege to present before you the Annual Report for the academic year 2025-26.

### Curriculum Planning and Academic Excellence

At our institution, great importance is given to **systematic curriculum planning and academic excellence**. The academic year begins with careful planning by the academic team and teachers to ensure that the curriculum is delivered in a structured and effective manner. Annual plans, monthly planners, and detailed lesson plans are prepared to align with the learning objectives and academic goals of each grade level.

Teachers focus on conceptual clarity, skill-based learning, and application of knowledge through a variety of teaching strategies such as interactive discussions, activity-based learning, and practical demonstrations. Continuous monitoring of students' progress is carried out through daily tests, weekly assessments, periodic tests, and regular feedback.

In addition, teachers work collaboratively to review lesson outcomes, share best practices, and refine teaching methods to meet the diverse learning needs of students. Remedial support and additional guidance are provided whenever required to ensure that every learner progresses with confidence.

Through careful curriculum planning and a strong focus on academics, we strive to create a learning environment that nurtures curiosity, critical thinking, and a lifelong love for learning

### **Academic Achievements**

We began the year on a strong academic note with the **CBSE results of Classes X and XII for the academic year 2024-25**. Our fourth batch of Class X and third batch of Class XII continued the proud tradition of securing cent percent results.

We take immense pride in acknowledging our toppers, **Rahul Chowdary R of Class XII and Sumaiya S of Class X**, whose dedication and perseverance have brought laurels to the institution.

### **Curriculum Implementation and Learning Programs**

Our commitment to quality education continues through the successful implementation of the **Eduvate curriculum for Classes 1 to 8 for the past three years**, ensuring conceptual clarity and skill-based learning.

For our kindergarten children, we follow the **Macmillan curriculum**, which focuses on joyful and experiential learning.

In our continuous effort to integrate technology with education, we have been associated with **Kite Robotics for the past two years**, enabling our students to actively engage in innovative projects and develop scientific temper.

Alongside, our structured **Abacus and Vedic Maths training**, conducted in collaboration with **NEO GEFMAT Academy**, has helped students strengthen their mental abilities and analytical skills, with many of them successfully clearing various levels in examinations and competitions.

### **Reading and Knowledge Enrichment**

We also ensure that our students remain informed and intellectually engaged. Students from **Classes 5 to 12 are provided with the Dinamalar Pattam newspaper every day from Monday to Friday**, while children from **KG to Grade 8 receive the Kids Age magazine weekly**, fostering reading habits and awareness.

## **Extra-Curricular Activities**

Education at our institution extends far beyond academics. Through collaborations with various **ECA vendors**, we provide diverse opportunities such as **archery, skating, western dance, classical dance, karate, and silambam**.

These activities not only enhance physical fitness but also instill discipline, confidence, cultural values, and teamwork among our students, shaping them into well-rounded individuals.

## **Beginning of the Academic Year**

The academic year commenced in **April** with a **bridge course** designed to **strengthen students' fundamentals** and prepare them for the upcoming curriculum.

On the **5th of April**, we observed **Founder's Day** by commemorating the death anniversary through a meaningful act of service, where food was donated to the orphanage **Udhavum Nanbargal** located in **Pakkam**.

- **Participation in Tamil Valarchi Poti** conducted by **AR Sri Niketan Patasala** in **Thirukkural recitation, drawing, singing, and fancy dress**
- **Participation in throwball tournament** conducted by **The New College**

### Foundation Courses for Competitive Exams

In our continued effort to strengthen academic excellence and prepare our students for future challenges, the school has introduced **Foundation Courses in collaboration with Pearson**. These courses are designed to build a strong academic base for students who aspire to pursue **competitive examinations such as NEET and IIT-JEE in the future**.

The foundation programme focuses on strengthening **core concepts in Mathematics, Physics, Chemistry, and Biology**, which are essential for success in competitive examinations. By introducing these concepts at an early stage, students are able to develop a **deeper understanding of fundamental subjects and improve their analytical and problem-solving abilities**.

Through structured learning modules, practice sessions, and conceptual clarity, the programme helps students gradually become familiar with the **pattern and level of competitive examinations**. It also encourages students to develop **logical thinking, scientific reasoning, and confidence in tackling complex problems**.

By integrating these foundation courses into the academic framework, the institution aims to **equip students with the necessary knowledge and skills**

**required to excel in national-level competitive examinations**, while continuing to maintain a strong focus on regular school academics.

This initiative reflects our commitment to **guiding students towards higher academic aspirations and preparing them for future professional opportunities**.

### **Infrastructure Development - Multipurpose Ground for Sports**

In our continuous effort to promote holistic development among our students, the school has taken a significant step by implementing a **multipurpose ground dedicated to sports and physical activities**.

This facility has been developed to provide students with a well-equipped space where they can actively participate in various sports and physical training sessions. The multipurpose ground enables students to practice and engage in activities such as **athletics, team games, and other outdoor sports**, thereby encouraging a healthy and active lifestyle.

Sports play a vital role in shaping a student's personality by building **discipline, teamwork, leadership, and resilience**. With the introduction of this facility, the school aims to provide greater opportunities for students to explore their sporting talents and participate in inter-school, district, and state-level competitions.

Through this initiative, we reaffirm our commitment to nurturing the **overall growth and well-being of our students**, ensuring that education at our institution balances **academics with physical fitness and character development**.

### **Day Boarding Programme**

To support working parents and provide a structured learning environment beyond regular school hours, our institution also offers a **Day Boarding Programme**.

The programme provides students with **supervised study time, homework assistance, and enrichment activities**, ensuring that children make productive use of their time after school hours. Under the guidance of teachers, students are able to revise lessons, complete assignments, and clarify doubts, which helps them strengthen their understanding and develop disciplined study habits.

The Day Boarding Programme has been highly beneficial in supporting students' **academic progress, time management, and independent learning skills.**

### **Assessment and Academic Monitoring**

To ensure consistent learning and academic progress, the school follows a structured system of **daily tests and weekly assessments.**

Daily tests are conducted in classrooms to reinforce the concepts taught during the lessons and to help students revise regularly. Weekly assessments further help teachers evaluate students' understanding, identify learning gaps, and provide timely support.

This system encourages students to develop **regular study habits, better retention of concepts, and continuous improvement in their academic performance.**

### **Conclusion and Gratitude**

As we reflect upon this enriching year, we feel proud of our accomplishments and remain committed to continuous growth.

Our journey is guided by a vision to nurture **confident, responsible, and compassionate individuals who will contribute meaningfully to society.**

I extend my heartfelt gratitude to:

- **Our Management** for their unwavering support
- **Our Teachers** for their dedication
- **Our Parents** for their trust
- **Our Students**, who are the true strength and pride of our institution

Thank you all for being a part of this wonderful journey.

**Jai Hind!**
